# Innovate UK's "Technology inspired Innovation" - Competition Info Events

Innovate UK invests £3 Million in feasibility studies to stimulate innovation across four enabling technology areas that underpin future UK growth: <a href="advanced materials">advanced materials</a>; <a href="biosciences">biosciences</a>; <a href="electronics">electronics</a>, sensors <a href="advanced materials">and photonics</a>; and <a href="ICT">ICT</a>. Two information events will be organised for this competition in:

- Birmingham 14 July: https://connect.innovateuk.org/web/ictktn/events-view/-/events/26843981
- Edinburgh 16 July: https://connect.innovateuk.org/web/ictktn/events-view/-/events/26844214

Note that both events will feature H2020 ICT with a view towards 2016-2017 challenges/objectives, while the event in Edinburgh will include an overview on H2020 Advanced Materials — both thematic areas will be presented by the relevant NCPs.
