ICT Proposers' Day 2014

9-10 October 2014 Florence Italy

Thursday 9th 10:30 to 19:30,
Friday 10th 9:30 to 15:30

Fortezza da Basso Conference Centre
Viale Filippo Strozzi 1
50129 **Firenze**
Italy

This **major** meeting: the **ICT Proposers' day 2014**; is actually a two day event. It will provide essential detailed information and networking in support of forthcoming calls for collaborative research and innovation funded by European Commission through the Horizon 2020 workprogramme. The largest of these is ICT Call 2 opening in October 2014 with a budget of ca 580M€

The topics addressed will not simply be those of **ICT** in the LEIT section of Horizon 2020. The event will also address ICT application areas across **other themes** and **Future and Emerging Technologies** in general. For full list of topics see: <https://ec.europa.eu/digital-agenda/events/cf/ictpd14/topics.cfm>

The event format will include:

- **Information sessions** on how to prepare and submit a proposal
- Topic **information stands** where European Commission officials provide up-to-date information on the research and innovation topics of the Work Programme 2015 and the content of the calls for proposals
- A European Commission ICT **information desk** to supply information on relevant topics, along with other information stands
- **Networking sessions** organised according to the Pillars and Topics of the Work Programme 2015 where potential proposers present their project ideas
- Booths, grouped by interest into 6 'villages', which serve as **meeting points** for people interested in the same research topics
- Ample space for **informal networking** and bilateral pre-arranged meetings between participants

Satellite events and workshops are also planned for 8th October.

Website for more and evolving information see:
