

## ICT NEWS 7 Dec 2014

### Digital learning round table

16/12/2014 Luxembourg

The Digital Learning Round Table is the first of its kind in the H2020 context. The Commission are looking for a lively debate and concrete suggestions on how to advance digital learning in Europe, in particular through the Horizon 2020 programme and its funding instruments.

An interactive, open and participatory event. The participants consist of Firestarters, invited panelists, and delegates representing a mix of European researchers, innovators, industry and other stakeholders active in digital learning in Europe.

Further details see: <https://ec.europa.eu/digital-agenda/en/news/digital-learning-round-table-save-date>

### ICT-16 Big Data

**Networking day** 16 January 2015 Brussels

This networking day provides THE opportunity to network with others and possibly find new partners and discuss ideas with them. Registration (mandatory) is now open and is on the first-come-first-serve basis. The closing date is **8 January** 2015. see:

### Digital Europe Stakeholder Forum

Brussels: Tuesday 24 February 2015

Further details see: <https://ec.europa.eu/digital-agenda/en/news/save-date-digital4eu-stakeholder-forum-europes-new-digital-priorities-24-february-2015>

### Smart Cities and Communities Info Day and brokerage

Brussels 12 February

The 2015 call aims at developing solutions that integrate energy, transport and ICT through **lighthouse projects**. More details about the objectives and requirements of the call will be given in the morning session. In the afternoon, a brokerage event will provide a chance for people to discuss, exchange ideas, network and meet potential partners to create new or strengthen existing consortia.

Application site: **Use before 10 January!**
